# The Pekingese Top Twenty

## Top Twenty Rules of Participation (2009)

- The Pekingese Association (PA) offers a Top Twenty event to showcase excellence in Pekingese. This event is a part of the Pekingese Association annual Event and serves many purposes. It offers education for judges, exhibitors, breeders and fanciers. The event offers all who attend a chance to view the cream of the crop in competitive standings for the previous year. Using a scale of points, each dog is evaluated according to how closely it conforms to the breed standard. The Top 20 score sheet will be on a point scale that used to be part of the Pekingese Standard. This procedure is not available at any regular AKC show and allows the spectators an opportunity to evaluate the dogs while scoring them at the same time they are being judged. The event is educational and promotes discussions of the standard. It provides spectators with an opportunity to see how individual views can produce a consensus decision.
- This event provides special recognition to those Pekingese with the most outstanding records as well as their breeders, handlers, trainers, and owners. The Top Twenty Event provides an incentive for breeders to strive for Pekingese excelling in structure, movement, temperament, and conformation.
- There is an entry fee of \$25.00 with invitations and entry forms that will be sent out. This judging panel will be composed of the following:
  - An AKC approved Pekingese Breeder Judge.
  - A Pekingese Breeder, but not an approved judge.
  - A Pekingese Handler, but not an approved judge.
- Selection of and acceptance by each judge is to be kept strictly confidential and limited solely to the Top Twenty Chairman. It shall be a condition of acceptance by all selected judges that they maintain strict secrecy regarding their invitation/assignment and participation in the event until after the event has occurred.
- The Pekingese entered will be listed in the catalog, but the judges will not be listed at all. They will not be known by anyone other than the Top Twenty Chairman until ring time.
